

Thank You For Making An Impact

To Our Donors – The team at FamilyWorks is proud that in spite of everything 2020 threw at us, we were not only able to operate continuously in 2020 but also adapted and grew our services to meet the changing needs of our community. The truth is none of this would have been possible without the generosity and partnership of each and every one of you who have compassionately shared your resources with us. Together, we ensured access to nourishing food, vital resources, and a caring community for our participants.

We thank you for believing in our programs and thank you for being such a critical part of this work.
